

Pak- Sri Lanka University Faculty Exchange Programme

under

Pak-Sri Lanka Higher Education Cooperation Programme

Higher Education Commission (HEC), Pakistan invites applications from Pakistani and Sri Lankan faculty members to establish professional linkages between universities of the two countries. The programme supports annual faculty exchange visits for a duration of upto 2 weeks to participate in teaching, international curricula, research seminars, conferences, and collaborations through academic & research activities with impact. To increase people-to-people contact, the faculty members will have various opportunities to learn about cultural, regional and historical values of bilateral interests while gathering international repute and respect for their respective universities.
