

## **Visit of Accreditation Inspection Committees (AICs) of NAEAC/HEC to University College of Agriculture, Islamia University, Bahawalpur**

The Accreditation Inspection Committees (AICs) of HEC visited University College of Agriculture, Islamia University, Bahawalpur on 24<sup>th</sup> May, 2016. The main objective of the visit was to conduct a peer review of the degree programs of the departments of Entomology, Agronomy, PBG and Food Science. The subject experts/program evaluators were senior professors of these subjects met the principal and attended brief presentation, later on, experts had along deliberations with the chairmen of the above mentioned departments. The HoDs along with faculty members gave detailed presentation on the faculty, curriculum, infrastructure, resources and facilities available with the department. They also pointed out major strengths and shortcomings of their degree programs. The review committee also received feedback from under graduate and graduate students.

2. The AICs also visited infrastructure and learning resources including labs, library, class rooms and faculty offices etc. They also visited experimental farm used for graduate research activities.

3. The AICs had a meeting with the acting vice chancellor/senior Dean of Islamia University,

Bahawalpur. All the experts shared their views and discussed highlights and findings of the visit the senior Dean. The AICs members urged the Dean to communicate main findings and conclusions of the visit to the worthy vice chancellor.
