

AIC of NAEAC Visit to MUL

National Agriculture Education Accreditation Council (NAEAC) conducted follow-up accreditation visit of Department of Food Science & Technology, Minhaj University Lahore (MUL) on September 28, 2020.

A three member Accreditation Inspection Committee (AIC) comprising Prof. Dr. Ishtiaq A. Rajawana, Chairperson NAEAC and Convener, Dr. Muhammad Umair Arshad and Dr. Shinawar Waseem Ali was constituted for this purpose.

Presentation in Conference room

Vice Chancellor (MUL) Dr. Sajid Mahmood Shahzad welcome the committee and held a brief introductory session followed by detailed presentation about departmental activities and achievements by Dr. Jawad Iqbal, Head of Department.

Chairperson NAEAC also presented the overview of NAEAC activities.

AIC visited the department labs, library and held meetings with Deputy Director QEC, Faculty Members and students of the department.

In the concluding session the program evaluators informally briefed VC and other officials about their findings.

Vice Chancellor MUL appreciated the AIC and assured that University administration will implement the AIC recommendation in order to improve the working of the department.

AIC visiting Lab of FST Department

Chairperson NAEAC thanked Vice Chancellor for their hospitality and at the end VC presented souvenirs to AIC members.
